

Professional Learning Day Plan – September 19, 2025
Havelock School

The following is a brief description of our planned professional learning work for September 19. This work is organized around our district's four collective goals:

- All students shall read, write, and communicate at grade level in both languages of instruction.
- All students shall be at grade level in numeracy.
- All students and staff will feel safe, cared for, and engaged in learning.
- All students shall graduate from high school.

School staff will monitor the impact of their work from September 19, and on subsequent professional learning days, in achieving these goals.

Literacy

- Teachers will embed literacy strategies into math problem-solving to strengthen comprehension and stamina.

Numeracy

- Staff will identify priority outcomes and design problem-solving tasks.
- Staff will focus on gradually increasing complexity to build persistence and independence.

Safe, Cared For, and Engaged

- Staff will develop plans to reinforce responsibility and engagement through initiatives like Fun Fridays and catch-up routines.

Graduation

- Staff will develop strategies to help students build perseverance and responsibility that they carry forward into future academic success.
